

Varsity Scout Leader Training

Contributed by Rick McCarty
Sunday, 17 August 2008

Being a Varsity Scout leader is a great experience with the right training to help you get started! North Shore is committed to helping YOU have the tools you need to deliver a great program. That's what our training program is all about.

If you're new to Varsity Scouting, you'll want to know where to start. Our Varsity Scout Leader Training Roadmap is the place to begin.

After you've completed the basic training for your position, there are additional training opportunities such as Wood Badge .

Check our calendar or the links below for upcoming training events. If you have questions, check the latest North Shore training news , the below links, or contact the North Shore Training Committee.
